My dear Sisters and Brothers in Christ,
A young family recently moved into the parish. In meeting them, I asked the children how they liked their new home. The 8 year old son said, "It's really great. I have my own room and so do my other brothers. We all have our own rooms...except poor Mom, she's still in with Dad...and he snores really loud. Poor Mom, indeed..."

HAPPY MOTHER'S DAY!!!

It's not easy being a Mom. A recent study shows that by the time a child reaches 18, a mother had to handle some 18,000 hours of extra child-generated work. In fact, says this study, women who never have children enjoy the equivalent of an extra three months a year in leisure time! WOW! It really isn't easy being a Mom. It requires sacrificial love, the like of which can only be found in God. It is in our Mothers' love for us, my dear Sisters and Brothers in Christ, that we first experience the love that God has for us.

Jesus provides the beautiful image of his love for us as the Good Shepherd who lays down his body as the shepherd to protect and care for his sheep, but it is our Mothers, who in loving us so completely, sacrificially, and unconditionally, that actually experience the love that God has for each of us.

Mother is a God's gift for us. Mother Mary is a Gift even to God. God chose Mary to be the mother of Jesus. But, by living a life in loving Jesus, the son of God so completely, sacrificially and unconditionally Mary rose to be the Mother of God. So, let us venerate Mary, Queen of May by praying the Holy Rosary.

Every day during this Month of May, I say rosary at 3PM. Kindly come and join me in praying for peace of the world. Please come and join.

Thank you God for giving me my Mother's love. Thank you, Moms! Have a Happy Mother's Day!

Fr. Antony Joseph
