

ADVENT PROJECT

Sunday, November 29 is the first day of Advent. St. Mary's PCCW would like to collect donations during this season for a couple of needy causes. The Galesville Elementary School received items from our parish family in 2019 and are again in need of clothing items for students. We also understand that the GET Food Pantry is in need, especially this year with children at home, and people who have lost employment due to the pandemic. Cash donations towards the school or the food pantry will be collected.

With the local elementary school closed at this time we would like to encourage cash donations that we can use to purchase clothing items that they are in need of when school reopens. We would use this money to purchase underwear and clothing items for student emergency needs in the needed children's sizes. Checks for the school can be made out to St. Mary's PCCW so we can purchase the items or cash may be marked and put into the collection basket or mailed to the church office.

St. Mary's entry has a box for food items that are delivered to the GET Food Pantry that is available to all area residents in need. Food items may be placed in this box or cash/check donations made out to the GET Food Pantry may be placed in the collection basket or mailed to the church office.
