Dear Friends,

You know that Our Lord Jesus called his disciples as FRIENDS. So, am I calling you as friends to attend two important Healing services that happen in our parish. We are rational beings, and we know that we are healed/cured by medicine. More than medicine there is always something, something we don't understand. That is the providence of God.

**God moves in a mysterious way,
His wonders to perform;
He plants his footsteps in the sea,
And rides upon the storm.**

So, God, if he will, he can do wonders for us.

Great crowds came to him, bringing the lame, the blind, the crippled, the mute and many others, and laid them at his feet; and he healed them. (Mathew 15:30)

Yes, Jesus healed the people who came to him. So, if you need healing (physical/spiritual/social/psychological) you need to come to His Presence.

Jesus says, **"Ask and it will be given you; seek and you will find; knock and the door will be opened for you."** Without our one step, Jesus cannot run to us to help us. Until you start walking, he cannot carry you on his shoulder.

I ask you to attend both events. It is Lent. Let us give a try. Let us give more time for Jesus.

Pray every day both events bring change and healing to people.

In Prayer,

Fr. Antony Joseph

PASTORAL COUNCIL ITEMS FOR YOU.

+ Many of the issues we experience in our parish (and the Church at large) sprout from one deep problem: not enough Catholics are intentional disciples.
- What does being a disciple look like? It's not about "feelings" but about transformation! It's to repent, to believe in Jesus and His Good News, and then to live it! And it doesn't happen by accident – you decide to be one or not.
