## All are called to participate Synodality by Pope Francis

The theme of the upcoming 16th Synod of Bishops is: "For a Synodal Church: Communion, Participation, and Mission". Synodality indicates walking together and listening to one another but above all to the Holy Spirit. To deepen this essential characteristic of the Church, the upcoming synod is unlike any previous one. It starts with and involves all the faithful at local Churches across the world, **promising to listen to all, especially to laypeople**. That is why this Synod is a 2-year process, starting from October 10, 2021, to October 2023.

### Three opportunities

Pope Francis pointed out that the synodal process of encounter, listening, and reflection help the People of God, the Church, to recognize at least three opportunities. First, it must move not occasionally but structurally towards a synodal Church, **where all can feel at home and participate**.

Second, the Synod offers us the opportunity to become **a listening Church**, to break out of our routine in order to stop and listen, firstly to the Spirit in adoration and prayer, and then to our brothers and sisters, their hopes, the crises of faith around the world, the need for renewed pastoral life.

Keeping in mind that God's style is one of closeness, compassion and tenderness, the Pope said the Synod is also an occasion for the People of God not to be aloof but to become a **Church of closeness by her very presence**, bandaging wounds and healing broken hearts with the balm of God.

As a Pastor of the Parish, I call you all to participate and think about a Synodal Church during this Lent 2022. I will be giving more information and thoughts about Synodality. Let us work together in the Lent and participate more in the Church.

Fr. Antony Joseph
