Dear People of God,

Doubt and fear limit the greatest effort and power in the world. They make it difficult for one to believe the wonders that God has worked by resurrecting Christ. Therefore, we must expel the spirit of doubt and fear from our lives in order to experience the power of the resurrected Christ. Also, let us embrace the peace that Christ brings us this Easter.

The power of Christ's resurrection brings healing and peace to our body and soul. It also restores us to life. This was the reason God resurrected Christ. Paul says of this power, "If the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies" (Rom 8, 11).

Today, Jesus reassures us of His living presence with us in a more tangible, powerful, and glorified way. We, therefore, need to tap from His resurrection power to live as he lives. However, before we can experience this power and witness it as the apostles did, we must first cast away all doubts and fears. Hence, our situation must shift from doubting to the manifestation of a living and active faith in the risen Christ.

Finally, as we bear witness through our words and actions to the resurrection of Christ, let us give thanks to God because He considered us worthy of sharing in the power of the risen Lord. His love and mercy for us endure forever.

Congratulations to all the children receiving First Holy Communion.

Happy Divine Mercy Sunday.

Fr. Antony Joseph
