My Dear Friends,

There is a very old and much-repeated story about St. Augustine, one of the intellectual giants of the Church. He was walking by the seashore one day, attempting to conceive of an intelligible explanation for the mystery of the Trinity. As he walked along, he saw a small boy on the beach, pouring seawater from a shell into a small hole in the sand. "What are you doing, my child?" asked Augustine. "I am emptying the sea into this hole," the boy answered with an innocent smile. "But that is impossible, my dear child," said Augustine. The boy stood up, looked straight into the eyes of Augustine and replied, "What you are trying to do – comprehend the immensity of God with your small head – is even more impossible." Then he vanished.

The child was an angel sent by God to teach Augustine a lesson. Later, Augustine wrote: "You see the Trinity, if you see love." According to him, the Father is the lover, the Son is the loved one and the Holy Spirit is the personification of the very act of loving. This means that we can understand something of the Mystery of the Holy Trinity more readily with the believing heart than with our feeble mind. Evagrius of Pontus, a Greek monk of the 4th century said: "God cannot be grasped by the mind. If God could be grasped, God would not be God."

God revealed himself to the world in three persons: Father, Son, Holy Spirit. He is one and has an abundance of love for his people. Therefore, he revealed himself in three ways.

**Let us welcome Fr. Stanislaus Michael Antony, the new priest to the Diocese of La Crosse. May God bless and guide him in his new ministry in the USA.**

Happy Feast of Holy Trinity.  
Fr. Antony Joseph
