

ST. MARY'S PCCW ADVENT PROJECT

Sunday, December 3 is the First Sunday of Advent. St. Mary's PCCW would like to collect donations during this season for the Galesville Elementary School. A few years ago, we collected items for this local school. The school is pleased that we will do this again this year. The principal has given us some ideas for items that are needed all year long.

They could use snack size individually wrapped non-peanut snacks that would be made available for students that do not have their own snacks to eat at milk break. The school would also appreciate child sized hats and mittens/gloves for students who do not have them, or for when they get wet during recess.

Donations would also be appreciated for students that can't afford to pay for field trips. Many locations charge school groups a small fee for the opportunity to visit.

Donations can be made in cash or by check. (Please make checks out to St. Mary's PCCW so we can combine them into one final check.)

We will have a box in the entry of the church for items collected. Cash or check donations may be put into the collection basket in an envelope with "St. Mary's PCCW Advent Collection" written on the outside. Donations can also be mailed:

St. Mary's Church Office, 11646 South Street, Trempealeau, WI 54661
