Victorious Entry or Ventured Entry

The Kings had palatial and royal entry surrounded with their people. They were accompanied by the large choir and crowd. They were honored and praised for their success subsequently the entry is a Victorious one. They entered the palace victoriously after having captured the lands of this world. It was well praised and appreciated. But, remember the kings lost his own men on the battle and return back home safe with victorious badge.

But the king of all kings, son of David and son of God, began with the entry that was glorious and chanted along with hymns of the people. But it was not like the entry of the kings of this world. He made a ventured entry. His entry looked as though glorious, but he entered the gates of Risk, Pain, Hatred, Suffering, Shame, Bloodshed, Cross and Death which already proclaimed to his disciples. His entry is to make the human proud and privileged in the hands of God. A selfless entry greatly not spoken well but ended up in selfish greatness of the chorus "Crucify him, Crucify him." Jesus wanted to conquer all hurdles to ensure salvation and redemption through the resurrection. Our king took all pain on himself in order to protect us from all dangers of sin and Satan. It was ventured for a noble task in order to give his life ransom for many.

Finally, Jesus raised up gloriously from the death making use all pain, sufferings, bloodshed and the cross as the true instruments of divine plan. Ventured entry had vital and significant purpose remembered all in history. The only king travelled on the colt and made an odd entry no one ever did. The act of Jesus signified the upliftment of the downtrodden, the weak, the fragile, poor and the marginalized. Fr. Don Bosco
